

# Family Caregiving Funders Community

Recognizing the critically important role that family caregivers play in our society, members of the GIA Family Caregiving Funders Community are supporting caregivers by funding programs, models of care, research, communication and awareness, training, education, and advocacy.

The GIA Family Caregiving Funders Community includes more than 40 funders, ranging from small, local, and family foundations to regional and national grantmakers, with a shared commitment to supporting caregivers through innovative programs and policy.

**This Funders Community is open to all GIA members. Virtual meetings take place every other month on Wednesdays from 2:00-3:00 PM Eastern. For meeting dates, please click [here](#).**
