Community AGEnda: Phoenix: Year Two

Grantee: Maricopa Association of Governments (MAG)

Project Title: Greater Phoenix Region Aging in Place Network

Contact: Amy St. Peter, MAG Human Services and Special Projects Manager

Geographic scope: The Maricopa Association of Governments (MAG) is the council of governments and metropolitan planning organization for three Native American communities and 24 cities and towns in Maricopa County, Arizona. The geographic focus of this project will be three communities in Phoenix, Tempe, and the Northwest Valley in one component of the project, and in the region for the balance of the work.

Goal for Year Two of Community AGEnda: Phoenix: To expand the options available to support older adults living in the community in the Phoenix region through continuing age-friendly efforts.

Planned activities for Year Two:

- To implement three business plans developed in Phase One of the project to:
  - support the creation of two Village-to-Village projects at Central Village (Phoenix) and Tempe; and
  - support the creation of an Independent Transportation Network (ITN) affiliate in Northwest Maricopa County (in specific area served by Benevilla and Sun Health);
- Plan and host a second Aging in Place regional conference; and
- Expand and enhance the website created in first year by translating key materials into Spanish and updating site on a regular basis.
