FUNDERS  
COMMUNITY

*An Initiative of*

GRANTMAKERS  
IN AGING

The GIA Serious Illness & End-of-Life Funders Community represents more than 30 funders, ranging from small, local, and family foundations to regional and national grantmakers, with a shared commitment to improving the care of people with serious illness and their families and caregivers. Over the past 25 years, members of the Funders Community have invested hundreds of millions of dollars in grants to advance this critically important work.

This Funders Community began its work in 2015. It's a safe space to meet with thoughtful colleagues, deepen your knowledge, and learn about new opportunities and current grant-funded efforts.

This Funders Community is open to all GIA members. Virtual meetings take place every other month on Thursdays from 2:00-3:00 PM Eastern. For meeting dates, please click [here](#).
